Acting Collector of

To The Plague Commissioner
Madras.

Dated Chatrapur 24th March 1899.

Sir, I have the honor to state that the Ganjam District being a frontier district to Bengal Presidency, it is necessary carefully to watch the spread of Plague in Calcutta and Bengal. I therefore request you to arrange for a full weekly statement of Plague attacks &c in Calcutta & Surrounding Districts of Bengal being sent to me direct from the Plague authorities at Calcutta, as the newspapers do not furnish sufficient information on the subject. I am at present in receipt of no official information. I request that the Puri authorities may be at once directed to report to me any case of plague at that place.

I have the honor to be
Sir
