Abstract.

Note for the H.M. with
reference to his query as
regards the use of troops.

Troops are now only at

Alur
Villore.
Arach.

They are to be withdrawn from Arach
& the Alur & Villore. It is submitted
that the small number of troops
may be left under the Collector
to look that they are no longer
wanted. The Collector may be asked
to get rid of them when no
longer required.

The troops never had been
sent there for such a trifling amount
of plague as now exists. I think
the Collector may be asked whether
he thinks the troops can be
dispensed with in Alur & Villore.

Note for the P.C.

Kuppam 90 718 P.C. (Put up
15.5.99 for C.4947)

Submitted to the Secretary
with reference to H.M.'s query at
Flag 2. During this month
Alur reported one attack on the 8th
& another on the 15th. The Collector may
be asked to send back the troops
as soon as the disinfection of the
infected

infected quarter is completed & after 15 days have elapsed after the last case.

In Vellore, disinfection is up to date & the troops are nearly retained on guard duty in account of the malarium which closes tomorrow. The troops may then be withdrawn unless the Collector requires them for at Ranipet, where plague has been as follows since the beginning of the month:-

up to end of April - 57 cases

3 rd May	1

7	2
8	1
9	3
13	1
15	1
16	1

Mos

He will do this without asking - better leave the troops in place for the present 47.

Partly on guard duty 47.
