SUBJECT.

List of infected areas

FOR ORDERS.

The list of infected areas was recently revised vide G.O. No. 794. d/ 29.5.99, and it contains the following places of the Madras Presidency.

(1) Alur town, in the Alur taluk, Bellary Dt.

(2) Manepalle and Narasapuram villages in the Hindupur taluk, Anantapur Dt.

(3) Vellore Municipality and Ranipettai & Tiruvallam unions in the N. Arcot Dt.

(4) Periyabelagondapalli, Nagonda-palli, and Mukondahalli in the Hosur taluk, Salem Dt.

It is submitted that this list may be revised with reference to the attacks & deaths reported from these places after the recent revision of the

the list.

2. In the Bellary Dt., Alur town alone was shewn in the list. The last attack in the town occurred on the 15th May & the patient died on the next day & since then it has been free. No cases were reported from any other place in the Dt. during May. It is submitted that the Alur town may be removed from the list and the whole Dt. ~~shewn as~~ declared free from plague.

Submitted this may be done

12 vi 99

NA

3. In the Anantapur Dt., Manepalle had one attack on the 1st May and the patient died on the 2nd idem & since that date no cases have been reported. The other village viz Narsapuram reported its last case on the 25th April last since which date it has been free. Excepting these cases, the whole Dt. has been free. It is therefore submitted that the whole Dt. may be removed from the list of infected areas. The Collector also requested that this might be done (C. No. 1301/99.)

Do Do.

NA

Sent to Secty on 6th inst.

4. In the N. Arcot Dt., Vellore and Ranipettai still report cases. Vellore had its last case on

~~NOTE FOR THE~~

Dont print

on the 27th May after an interval of nearly 17 days. Tiruvallam has been free since the 14th May and Ranipettai reported indigenous ~~attack~~ cases even on the 6th instant. Since declaring Walajah free from plague, 2 indigenous cases have been reported from that place, one on the 22nd May & the other on the 2nd June 99. It is submitted that Tiruvallam may be excluded from the list & Wallajah included.

Submitted that this may be done

NA

5. In the Salem Dt., Perijabelagondapalli, Mukondapalli, Kelondapalli, & Hosur, (~~all~~ in the Hosur Taluk,) alone have reported indigenous cases during the month of May 99. Perijabelagondapalli reported a case on the 12th May last; ~~after an interval of nearly~~ ~~and~~ Mukondapalli had its last case on the 26th May after an interval of 25 days. During the month of May Hosur reported two indigenous cases one on the 3rd & the other on the 27th; and one indi-genous

-lennas fatal attack was reported from Nagandapalli on the 21st May after an interval of 17 days. Orders are solicited as to whether these villages also may be ~~shown~~ removed from the list of infected areas.

6. Kurnool Dt. has been free since the 5th ultimo.

7. A statement shewing the names of places that reported plague cases from the 1st May last to the 7th Inst. is appended.

8. According to Section II, Chapter II of the Venice Sanitary Convention "any area in which plague has existed " will cease to be considered as infected " when it is officially reported that no " death or fresh case of plague has " taken place for ten days after the " recovery or death of the last case, " provided that the necessary disinfection " has been carried out"

Insms
