of 189 -9 .

ABSTRACT.

PRECIS.

SIR,

With reference to your letter No. 1208, dated the 3rd of May 1899, I have the honour to request passes may be

issued exempting all my Sub Divisional officers as well as myself from taking out passports when travelling on

duty.

The names of the officers and their Head Quarters are

entered in the margin.

2. With reference to para 2, I would suggest that the

Telegraph Master, at Stations where there is a Telegraph

office, or the Station Master at other places where line-

men are stationed might be empowered to sign the

passports and to report the absence of any man from

Sickness.

This I think would meet the case and save the men

from having to in many cases to walk considerable dis-

tances to report to the Municipal office, and would also

prevent the men trading on the present system when

they

4
they miss their trains, by saying the Medical officer
was out and they had to wait to get their passports
signed.

I have the honor to be,

Sr,

Your most obedient servant,

A. W. Lord

Superintendent,
Madras Division.

These certificates will have
to be granted by the Collectors
of the Dist. in which the H.

NOTE FOR THE Secretary.

Mr. Syms, Telegraph Sub-
Asst. Supdt., Vellore Subd.,
applied for exemption from
the passport rules on behalf
of himself and his staff.
The Colr. of N. Arcot in
forwarding Mr. Syms's
letter reported that he
saw "no objection to
"exempting the Asst. Supdt.
"himself (Mr. Syms), but his
"men are just as likely to
"carry infection as any one else,
"if not more so." In para 2
of his No. 12088, 3.5.99, the
P.C. considered it "undesirable
"to grant them passes, un-
"less they are regularly
"mustered every day by Mr.
"Syms, or some responsible
"officer, who can be trusted
"to report at once the absence
"of any man on account
"of sickness." Referring to
this observation the Tele-
graph Superintendent says

8
in para 2 of the current
that "I would suggest that
the Telegraph Master, at
stations where there is a
Telegraph Office, or the Sta-
tion Master at other
places where linemen are
stationed might be em-
powered to sign the pas-
ports and to report the
absence of any man
from sickness. It is
not quite clear what is
meant by the Telegraph
Supdt. Probably he
means that Telegraph &
Station masters should be
empowered to observe their
subordinates on their return
from infected areas, who
will presumably not
be exempted from taking
out passports. The Telegraph
& Station masters will
then have to be appointed
by the Collector or concerned
"local authorities" under
Regulation 17, Clause i,
and empowered to suspect

their subordinates.

2. Para 2 of the draft pass
may perhaps be altered,
more clearly expressed
follows—

"In the case of the
subordinates of the Depart.
the nature of whose duties
may not, without serious
inconvenience to the ^{telegraph service} public,
permit them, ~~to permit~~ on
arrival from a plague
infected locality, to present
themselves for inspection
^{any day} before the local authority
of any particular locality,
Collectors may, on receipt
of requisitions to that effect
from the Telegraph Supdt.
of the Divn. permit the
subordinates to be observed
by the Telegraph or Station
masters concerned, who are
the Collectors in
all cases."
