Copy of letter from the Collector of Salem, to the Secretary to the Commissioner of Land Revenue, Madras, Ref. on No. 821/Asub of 99, dated 5th May 1899:-

I have the honour to state that in his indent for stationery for the quarter ending 30th June 1899, the Chief Medical Officer on Plague duty, at Jolarpet Railway Inspection Station, asks for supply of 45 black lead pencils to meet the requirements of 9 clerks, 3 hospital assistants and 3 nurses for one quarter at the rate of one pencil each per mensem. 2. I am of opinion that half the quantity indented for is necessary and request that the Board will be pleased to obtain the sanction of Government for supplying them accordingly. The stationery rules allow of the supply of only one pencil per clerk for a half year.

Copy of letter from the Superintendent of Stationery, Madras, Dis. No. 1306 of 99, dated 1st June 1899:-

In returning herewith the papers received with your endorsement No. 1399, dated 26th May 1899, I have the honour to report that as far as I know most of the work done by plague clerks is done in ink and therefore the supply of one pencil per clerk once in two months should be amply sufficient if not in excess of actual requirements. I would however accept the Collector's opinion in the matter.
