FROM

A. F. WOODBURN, Esq., I.C.S.,

TO

*The Secretary to the Government of Madras,
Local and Municipal Department.*

SIR,

I am directed to forward for *the information of the Government of Madras* 10 copies of Government Resolution No. 3713-P., dated the 6th June 1899, regarding the abolition of measures for the medical inspection and disinfection of travellers by railway at Broach and Manmád Stations.

I have the honour to be,

Sir,

Your most obedient Servant,

A. F. Woodburn

Acting Chief Secretary to Government.

Plague.—

Railway Medical Inspection.

Revised arrangements for the medical inspection and disinfection of travellers by railway at Broach and Manmád Stations.

General Department (Plague).
No. 3713-P.

Bombay Castle,
6th June 1899.

Letter from the Supervising Medical Officer, Railway Medical Inspection, No. 558-R., dated the 30th May 1899 :—

"I have the honour to report, as Broach City has been declared free from plague, that the barrier inspections of departures from Broach Station are now no longer necessary, and to recommend that they be discontinued after the 15th June next.

"2. I would also recommend the discontinuance of Manmád as an inspection post from the same date. Through inspections were stopped there on the 1st instant and only arrivals have been examined since, but I do not consider this necessary any longer as Ahmednagar is practically free, and Násik is becoming free."

RESOLUTION.—With reference to Government Resolution No. 3000-P., dated the 3rd May 1899, His Excellency the Governor in Council is pleased to sanction the abolition of the following measures with effect from the 15th June 1899 :—

- (1) Barrier inspection of departures from Broach Station ;
- (2) Inspection at Manmád Station.

A. F. WOODBURN,
Acting Chief Secretary to Government.
