Plague.

Passing orders on the revised estimates for 1898-99 and the budget estimates for 1899-1900 of plague expenditure from Local and from Municipal funds.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—again the following paper :—

G.O., No. 1054, Financial, dated 14th November 1898.

ABSTRACT.—Requesting the Surgeon-General, the President of the Madras Municipal Commission, and all Collectors to submit to Government, through the Plague Commissioner, estimates of plague expenditure for 1899–1900, and stating, with remarks, that these estimates should reach the Plague Commissioner not later than the 25th November.

READ—also replies to the foregoing order.

ORDER—No. 1259, Financial, dated 28th December 1898.

The appendices to these proceedings contain the revised estimates for the current year and the budget estimates for the ensuing year of plague expenditure from LOCAL and from MUNICIPAL funds.

LOCAL.

2. Under *Salaries and Establishments*, the revised estimates proposed by Collectors have been adopted. Where a revised estimate has not been received from a district, the figures accepted in G.O., No. 1122, Financial, dated 28th November 1898, have been entered. Allotments proposed by Collectors in districts not now under observation and in which plague establishments have not so far been entertained have, however, been omitted.

3. The budget estimates for 1899–1900 provide for existing establishments.

4. *Allowances, Supplies and Services and Contingencies*.—In the revised estimate for 1898–99, Collectors' figures have been entered with slight modifications for purposes of rounding, except in the case of Chingleput where the provision under "Miscellaneous" has been reduced from Rs. 11,320 to Rs. 5,000. In the budget estimate for 1899–1900, the total for each district not now under observation has been worked up to Rs. 15,000 in round numbers. An allotment of Rs. 10,000 has been made for "Petty construction and Repairs" in each district at present under observation, in which the Collector's estimate provides a smaller sum or does not contain any provision.

5. Appendix D exhibits the expenditure to be borne by each district board in 1899–1900 rateably to its receipts.

MUNICIPAL.

6. The observations in paragraphs 2 to 4 *supra* apply generally to the municipal estimates. A round sum of Rs. 5,000 has been provided for each municipality in districts not at present under observation.

7. As thus compiled, the estimates work out as follows :—

		Revised Estimate, 1898-99.	Budget Estimate.
Local	Rs.		
Municipal ..	Rs.	4,78,700	7,00,000
		2,70,000	4,67,000

8. The question of the ability of local bodies to meet the expenditure debitable to them in the current year is at present under consideration. The Local and Municipal Department will see that the budget estimates of all municipalities and district boards for 1899-1900 are so framed as to ensure due provisions being made for the expenditure as now estimated.
