My dear Hammick

During the past fortnight there has been 9 attacks of Plague & 2 deaths at Ranipet & one elsewhere in the District but has ordered that Capt: Allenby at Ranipet should be relieved by Capt. Ffrench. as Ffrench has already left the District, & as there is hardly any Plague at Ranipet I think the Inhabitants can look after their town & circles round it without a Special Plague Officer - I am writing officially on this subject, & Allenby who has not written to Ffrench
