Sir,

With reference to your letter C. No 2773 dated 6th March 1899, I have the honour to state that the present distribution of the printed papers from your office does not enable Divisional Officers, Tahsildars, Deputy Tahsildars and District Medical and Sanitary Officer to keep a file of such papers as the only copy that is received has to be put away in records with a disposal number under the disposal number system. As it is very necessary that every officer should maintain a file of all important orders for ready reference I request that an additional copy may be supplied to each of the above officers. Otherwise, the present distribution needs no modification. The total number of copies according to the proposed distribution amounts to 55.
