SIR,

Buddapah COLLECTOR'S OFFICE,

Dated 9th April 1897

Desp. 11-4-98.

Ho D Harding Esquire
Collector of Buddapah

Plague Commissioner
Madras

In Continuation of my Ref on Can No 341 P 98 of 1-4-98, I have the honor to state that the District Medical and Sanitary Officer desires to retain the services of the special Medical officer in Buddapah for some time longer on the ground that that officer attends to Plague Correspondence and observing passport holders. I do not know if you consider this alone sufficient reason for his retention. He was appointed in view of the probability of plague occurring on the Madanapalle side.
