Proceedings of the Madras Government

Order No 993 P., dated 21th August 1898

The Government presumes that arrangements have been made at Guntur and Bezwada to examine passengers from plague infected areas and give passports. If not, necessary instructions should now be issued without delay for the inspections of the passengers arriving from the west, where plague now prevails at Hubli, Guntakal, and Bangalore, and at all the stations along the Guntakal Bezwada line the provisions of revised Mufassal Regulations 17 (pages 14-17 of the Madras Plague Regulations and Rules) should be strictly enforced: where there are Hospital Assistants or other Medical Subordinates as at Nandyal, they should inspect on the platform all passengers leaving the train.

(thro' the Divisional Officer and the Collector, Kistna)

Sir,

I have the honor to request your authoritative opinion on the following point:-

In your Proceedings No 907 dated 13th December 1898, you have ruled that hospital Assistants attached to plague inspection stations may be allowed to draw as house-rent as regulated by GO No 154 L, dated 24th January 1895. There is a special hospital Assistant doing duty in this municipality as a plague inspection officer. He inspects all passengers arriving here from plague affected localities, goes about the town inspecting granaries &c and in fact, has to do everything in

Connection

with any matter concerning the plague. This arrangement is being carried out in obedience to the Proceedings of the Madras Government, No 893 P dated 21th August 1898 (a copy of which is herein enclosed) according to which this may be construed as a plague inspection station. The Council feeling, however, doubtful whether the hospital assistant on plague duty here is entitled to any house-rent inasmuch as it is not specifically stated whether this is a plague inspection station in the same sense as other places such as Guntakal, Rondapalle &c are, has requested me to address you on the matter for your expression of opinion.

I therefore request you to be pleased to oblige the Council with your reply at your earliest convenience.

A copy of the resolutions of the Council bearing on the matter is herein enclosed.

I have the honor to be
Sir,
Your most obedient servant

under para 3 of G.O No 154 L dy 24-1-95, all Hospital Asts who are not provided with free quarters are entitled to house rent not exceeding Rs 5 a month, provided they live within 200 yards of the Institutions to which they are attached. This provision has been relaxed by the G. Circular No 907 dy 13-12-98 in the case of Hospital Asts who are attached to plague inspection Stations & who cannot find quarters within 200 yards of them. The Collr of Kistna is requested to report whether the Hosp. doing inspection work at Jaggayyapeta Rly Station is attached to any medical institution at the place, whether suitable houses are not available within 200 yards of the Rly Station & what house rent the municipal council would ~~recommend~~ consider fair in this case with reference to the circumstances of the locality under para 3 of G.O No 154 L dy 24-1-95.
