Note

The prohibition, within this Presy. of the issue of railway tickets in the case of three out of the five festivals mentioned in the Collector's letter and statement, is proposed in the draft notification received from the Plague Commissioner. In his progs forwarding the Co. this letter, the P.C. requests that the G. of India should be moved to prohibit the sale of tickets in the Mysore Province. The festivals in respect of which the Govt. of India should be addressed have not been specified by the P.C. Nor is there anything mentioned either in the letter or the statement received from the Collector as to whether all or any of the three festivals are attended by pilgrims from Mysore. The date of the commencement of the prohibition of the issue of railway tickets in the case of one of the three festivals being the 8th instant (tomorrow), there is hardly time for the G. of I. issuing the necessary orders in time. It is therefore submitted that the G. of I. need not be addressed in respect of that festival. As regards the other two festivals, the prohibition is to commence from the

the 20th instant in one case and from the 22nd prox. in the other. As there is yet sufficient time to obtain the necessary information, it is submitted that the Plague Commr. may be asked to report if both or either of these two festivals are attended by pilgrims from Mysore.

The draft order may issue at once. The G.O.I. will be addressed, if necessary, on receipt of the information referred to above from the P.C.
