Supervisors employed on Plague Duty.

Ordering that retrospective effect be given to G.O., No. 1359 P., dated 22nd October 1898, in the case of permanent Assistant Inspectors of the Salt and Abkari department appointed as Plague Supervisors, prior to the date of its issue.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From T. HESKETH BIGGS, Esq., Accountant-General, to the Secretary to Government, Local and Municipal Department, dated Fort St. George, 17th February 1899, No. L.F.D.—792.

In forwarding herewith Proceedings of the Board of Revenue (Separate Revenue), No. 373, dated 29th January 1899, I have the honour to state that the view of the Board as to the intention of G.O., No. 1359 P., dated 22nd October 1898, seems to be correct. There appears, therefore, no objection to the grant of the acting allowance in question to permanent Assistant Inspectors of the Salt department appointed as Plague Supervisors prior to 22nd October 1898.

ENCLOSURE.

PROCEEDINGS of the Board of Revenue (Separate Revenue), Mis. No. 373, dated 29th January 1899.

Read—endorsement of E. A. ELWIN, Esq., I.C.S., Acting Collector of Bellary, Dis. No. 2821 P., dated 17th January 1899, on letter from Mr. T. M. R. Cresswell, Assistant Inspector on Plague Duty, Bellary district, No. 13, dated 14th January 1899, requesting sanction to draw his pay and allowances according to the rates provided in G.O., No. 1359 P., dated 22nd October 1898.

Resolution—Mis. No. 373, dated 29th January 1899.

In the petition read above, third grade Assistant Inspector Mr. T. M. R. Cresswell, who has been employed as a Plague Supervisor in the Bellary district since the 15th September last, prays that he may be allowed the benefit of the revised G.O., No. 1359 P., dated 22nd October 1898, in respect of the scale of pay and allowances granted to Plague Supervisors and that he may be permitted to draw, in accordance therewith, an acting allowance of 25 per cent. of his permanent pay of Rs. 125 per mensem during the period of his deputation. Although the Government order referred to distinctly states that the ruling therein does not apply to men who had been already appointed as Plague Supervisors at the date of its issue, its object evidently is to curtail what was considered the unnecessarily high emoluments which Acting Assistant Inspectors and Sub-Inspectors would be entitled to under the earlier G.O., No. 93 P., of the 26th February 1898, and not in any way to affect the emoluments which permanent Assistant Inspectors should receive for their services as Plague Supervisors. As permanent Assistant Inspectors appointed Plague Supervisors subsequent to the 22nd October 1898 (the date of the revised Government order) actually receive 25 per cent. of their pay as acting allowance in addition to their pay, officers of the same class appointed prior to that date should not be placed in a worse position.

The Board therefore requests that Government will be pleased to pass such orders as will enable Mr. Cresswell and others who may be similarly situated to draw an acting allowance of 25 per cent. of their pay.

1899, on letter from Mr. T.M.R. Cresswell, Assistant Inspector

on Plague duty, Bellary District, No. 13 of 99, dated 14th

January 1899, requesting sanction to draw his pay and al-

lowances according to ^{the} rates provided in Government Order
No. 1359, dated 22nd October 1898.

Resolution:-

In the petition read above, third grade Assistant
Inspector Mr. T.M.R. Cresswell, who has been employed as a
Plague Supervisor in the Bellary District since the 15th
September last, prays that he may be allowed the benefit of
the revised Government Order No. 1359-P, dated 22nd October
1898, in respect of the scale of pay and allowances granted
to Plague Supervisors and that he may be permitted to draw,
in accordance therewith, an acting allowance of 25 percent
of his permanent pay of Rs. 125 per mensem during the period

of his deputation. Although the Government Order referred to distinctly states that the ruling therein does not apply to men who had been already appointed as Plague Supervisors at the date of its issue, its object evidently is to curtail what was considered the unnecessarily high emoluments which Acting Assistant Inspectors and Sub-Inspectors would be entitled to under the earlier Government Order No. 93-P of the 26th February 1898, and not in any way to affect the emoluments which permanent Assistant Inspectors should receive for their services as Plague Supervisors. As permanent Assistant Inspectors appointed Plague Supervisors subsequent to the 23rd October 1898 (the date of the revised Government Order) actually receive 25 percent of their pay as acting allowance in addition to their pay, officers of the same class appointed prior to that date should not be placed in a worse position. The Board, therefore, requests that Government will be pleased to pass such orders as will enable Mr. Cresswell and others who may be similarly situated to draw an acting allowance of 25 percent of their pay.
