My dear Tremenheere,

I have been discussing the question of reduction of Plague Establishments with Mr. Arundel.

Although I am not prepared to advocate a general reduction, there is one direction in which I think an immediate saving might be effected - That is in the Plague Officers.

I feel satisfied that at present I can manage with 3.

I would do away with the Centre Division Plague Officer.

T.S. Inf.

I have talked ~~this~~ over with Col. Moore & agree with his proposal. I suppose he will make it officially, but do not know under what orders or authority the Plague officers were appointed.
