Read ~~Reference of the Board of Revenue~~ Land Revenue, No. 1353, dated 29th November 1898, submitting to Government a chapter on the Plague which the Board proposes to insert in the village officers' manual Vol: 2 and requesting that should the draft rules be approved, instructions may be issued to the Government Translators to translate them into the several vernaculars of the Presidency.

-----:O:-----

Order thereon No. 1060 Mis d/ 13th March 1899.

The Government is inclined to consider that the issue of a standing order on the subject of the duties of the village Officers in regard to the Plague is premature at present. Instructions on such a subject to be of value should be strictly practical and such as are likely to be understood and followed by the village Officers concerned. The Board may defer the matter till further experience has been gained.
