SUBJECT.

I should have thought, considering that *Prohibitory*
approaches are barred and that there is a very
 isolated place, the prohibition is *outstanding*,
 which *Col. (D.) King* recommended would
 have been enough. But as the *Collector*
 has passed for *total prohibition*, I

The Government considers

SUBJECT.

Starting with remarks that, pilgrimages to Srisailem having been prohibited by Govt in G. O No. 275P dated 21st Feb'y at the recommendation of the Colles of Kuerool, nothing should be done without consulting him and that if Govt approves the Colles may be wined to do the needful in the matter.

Proceedings of the Plague Commissioner.

Certainly, the prohibition should stand.

Endorsement of the Secretary to Government, 15-3-99

Local and Municipal Department, dated 13-3-99 No.62P.

-----:O:-----

Endt: No. 721 dated 15th March 1899.

Pilgrimage to Srisailam was stopped at the -
recommendation of the Collector in G. O. 275 R dated 21-2-99
and I consider that nothing should be done without consulting
him. No doubt the prohibition of the festival will seriously
affect the income of the temple, but this is a matter that
can scarcely be considered. One of the parties telegraphing
describes himself as Agent, Srisailam, and another is Chenchu.
On a similar petition received here on 11-3-99 from Local
and Municipal Department I have endorsed "the petitioner
should address the Collector on whose recommendation -
pilgrimage to the festival was absolutely prohibited". I
don't see what else can be done. The endorsement may, if it
is considered desirable, be wired to Collector, so that he
may act as he thinks fit - I doubt if he will see reason to
reconsider his decision. If Mandikotkur people are admitted,
it will be practically impossible to exclude Pattikonda
people.
