Sir,

Enclosure.

With reference to your Memorandum No. 734 dated 12th July 1899, I have the honor to inform you that the grounds, on which the application to have the Burial ground closed ^{was} ~~were~~ made, were that the smell of the burn- ing corpses has been the cause of complaints from people residing near, and, that for the purposes of supervision and registration the fewer Burial grounds there are the better.

2. This place is used by no particular community; the pariahs of Kilbaurk and the neighbourhood, a few agri- culturists and other Hindus go there, and it will be no sort of hardship on any one to close it for burning and burying.
