ORDER—No. 615, Marine, dated 5th July 1899.

The construction of a masonry wall and a platform alongside the salt creek from the Tower clock to the Foster road junction at Cocanada was sanctioned in G.O., Mis. No. 1058 M., dated 3rd May 1897. In order to carry out these works, certain wooden jetties erected by private merchants have to be removed.

2. It would appear that these jetties exist on sufferance, and that the owners have no claim to compensation on their removal. The Collector is accordingly authorized to enter upon the land after giving reasonable notice to the owners to have the wharfs removed.
