Honoured Sir

We most respectfully beg to state that when the Road leading from the main Road to the Krishnampet Segregation Camp was opened we have appealed to His excellency, The Governor, during his visit to the Camp not to open that Road, lest it may be a source of nuisance to us, if Plague patients are carried that way. A reply was received No. 1480 of November 1898 to the effect that no patients will be carried through that way, except those who are to be segregated.

We beg further to bring to your notice that on 11-7-99 at about 12. noon the Police Authorities have been pleased to carry the dead body of a Musalman died of poisoning through that Road leading to Segregation Camp to the Cholera Sheds adjoining, and back again through the same Road, after Post Mortem examination which caused a good deal of nuisance as the body was taken from the grave 3 days after burial, though there is another way to the Cholera Sheds

May we therefore respectfully en-
treated the favour of your being kind enough
to issue orders not to carry dead body through
that Road hereafter

We beg to remain Sir
Your most obedient and
Humble inhabitants
