Through the Collector of the Nilgiris

Sir,

By desire of the Council, I have the honor to submit below, for the information of Government Copy of a resolution passed at a meeting of the Council held this day at the Municipal Office.

I have the honor to be

Sir,

Your Most Obedient Servant

C. H. Coleman
Chairman

Minute No. I of a meeting held on the 5th July 1899

Read C. O. No. 869 M. M. No. 25 of 20 June 1899 intimating that Government agrees with the Collector of the Nilgiris in considering the land along the Old Chant Road suitable for the town extension, and that Tent Hill is quite unfit for this purpose.

Resolved That the Council would beg to point out that there was no intention to erect "a dirty native quarter" on Tent Hill Reserve. Their object being to provide for a model native town, which in the opinion of the Councillors who are all residents, and possess a thorough knowledge of Concor and its surroundings, could not be done on the site along the Old Chant Road.
