Sir,

With reference to Memorandum
No 691 dated 29th June 1899, regarding
the points noticed by Government in
reviewing the administration report and
statements of this Municipality for 1898,
I have the honor to offer my explanation
as follows:-

Clause 2. The total extent of land assessed during 1898-99 is 281 acres and 15 cents and not 28 acres and 15 cents as given in statement to which there is an error in copying.

Clause 3. The expenditure of Rs 3-9-10 incurred on account of Toll-Establishment was expunged in the total receipts and shown as Rs 1167-2-11 in statement I instead of Rs 1170-12-9 as noticed by Government and therefore it is not shown in statement II.

Clause 7. The total number of vaccination operations is 508 excluding revaccination operations and total number of successful cases is 411 excluding revaccination cases and a revision of statement III is herewith submitted.

I have the honor to be,
