Points noticed in the Cuddalore Municipal Report for 1898-99

Circular No. 1545 M

O.M. No. 742 / 1647/99

The following points are noticed in the statements submitted with the Chairman's report:—

(1) In Statement V. A, the Statistics of the Upper and Lower primary departments of schools should have been lumped together and not shown separately.

(2) In Column 23 of the same statement, the average cost per pupil in the Municipal Schools is given as Rs 3-12-3 instead of Rs 3-15-11.

(3) In Statement V. B, the Statistics of the Secondary department of the St. Joseph's College, which was not actually aided during the year from Municipal funds, should not have been shown; while those of the Secondary and primary departments of the S. P. G School should have been given separately and not lumped

(4) In Statement X, item 5, the total number of meetings actually held during the year is given as 36 instead of 33, as in para 5 of the Chairman's report.

(5) Column 7 of Statement XII has not been filled in.

The necessary corrections have now been made with reference to Clauses (1), (2) (6) and (8) above. A revised Statement V B should be submitted with reference to clause (3) as soon as possible.
