July 1899.

From

The Chairman

Municipal Council

Trinilipattur
20th July 1899

The Secretary to the

Government of Madras,

Local & Municipal Department.

Sir

With reference to G.O. No. 975
Dise. dated 12th July 1899 directing
me to explain certain discrepancies
in the number of vaccine operations
between this Office report and
that of the Civil Apothecary, I
have the honor to state that the
figures furnished by the Apothe-
cary represent only the number of
"primary" vaccinations under one
year of age while those reported

by

by the chair may include both the
"primary" and "secondary" vaccinations
under the same age.

2. I beg however, to correct
one mistake which has crept into
this office statement. The number
of successful vaccine operations
under one year of age under both
primary and secondary is 735,
not 727 as already reported.

I have the honor to be,
Sir,

Yours truly
John West Chedoke Lemant,

Deputy Collector in charge
