Head Master Municipal High School Tiruppathur

The Inspector of Schools
Western Circle

Cimbatam

I beg to submit that I have been the Head Master of this Board High school for more than a year and I expected to have an increment to my pay, as other Head Masters of Board School in the Circle have after the lapse of a year's service.

The Namakkal High school Head Master who was appointed later than myself is now drawing a salary of Rs 85- starting from 75- I hear. The principle of promotion I believe applies to all Board Schools, whether Local Fund or Municipal, whereas the Municipal Council of Tiruppathur has not been pleased to give me even five rupees increment to my present

1943/21/99

pay, as yet.

The Acting Inspector of schools, in his D.O. to me dated 14.1.98 had clearly stated that my salary is Rs 75 rising to 100.

I therefore request that you will be so good as to recommend my increment from January last, as the scale of 75 to 100 has been once for all sanctioned for all the Board High Schools head masters, having a matriculation class, but which the Tirupattur Municipal Council does not know.

I have

To

The Secretary to Government

Sir,

Through the Divisional Officer

Tirupattur

Collector of Salem.

And the Director of Public Instruction

Madras.

Sir,

I have the honour to state that the Headmaster of the Municipal High School was appointed on the 16th January 1898. There was a proposal in the budget to give an annual increment of Rs 75 up to Rs 100 as recommended by the Educational

Officers vide G. O. No: 196 d. date 25th January 1898. It would appear that the Inspector of schools informed the Head Master at the time of his appointment that an annual increment would be given accordingly. The Council at the same time anticipated a provincial grant of Rs 25 towards his pay and accordingly took credit in the Budget of the year 1898-99. But the Director of Public Instruction has not sanctioned the provincial grant on his behalf for want of funds vide Proceedings No 9118 dated 15th August 1898.

The Head Master is not a trained L. T. and the Council, therefore is not able to claim a grant on his behalf of one third of his pay but can ask for one fourth under the Grant-in-aid Code.

2. When the Budget for the year 1899-1900 was framed no provision for the increment was made in the pay of the Head Master as the Educational Officers did not recommend any increment in the pay of any of the teachers of the High School and as they suggested that the previous years' figure might be repeated. This would appear from

2.
From the endorsement no C 21/15-10-98 of the Inspector of schools, Western Circle supported by the Director of Public Instruction in his No 12031/25-10-98. The unforeseen circumstance under which the matter is now taken up, is that the Inspector of schools now recommends the increment in his endorsement no: 3368 dated 5.6.99 on the Head Master's application (Copy herein enclosed). The Council at its meeting held on the 13th instant resolved to increase the pay of the Head Master with effect from the 16th January 1899 as he joined the appointment on the corresponding date of last year.

I therefore request that you will be so good as to obtain the sanction of Government for the increment applied for.

3. A Copy of the Council's Resolution, a proposed statement and an application for the allotment of funds are submitted herewith.

I have the honour to be,
Sir,
your most obedient servant
