Road G. O. No. 896. M. No.
 dated 26th June, 1899, sanc-
 tioning the entertainment
 of four men on Rs. 10 each
 per mensem for the per-
 formance of the duties
 other than those connected
 with sanitation, and of
 a Secretary on a salary
 of Rs. 100 rising by five
 annual increments to
 Rs. 150 and the delegation
 to him of the Chairman's
 powers specified in the
 Municipal Council's
 resolutions of 3rd and 14th
 April last; etc., etc.

Paragraph 2 of the G.O. - The Council is prepared to delegate to the Secretary the powers under sections 52(2), 69(d), 90, 103(u) and (2), and 131 of the Act. As regards sections 89, 153, 204(u) and (2), 205, 231, 274 and 275(u), the delegation being vested in the Chairman, the Council did not consider it necessary to include the sections in the proposals submitted for the sanction of Government.

The Council is not at present prepared to delegate to the Secretary the power

under sections 134, 171, 188 and 194(3) of the Act, but is of opinion that the said powers should be reserved to the Chairman. In due course, however, it will consider whether the same can be delegated to the Secretary. The Revenue Divisional Officer dissented from the rest of the Council as regards the delegation of the powers under sections 171 and 188.

Adverting to paragraph 4 of the Collector's endorsement, the Council desires to submit that in wording its resolution as it did as regards the grant of the annual increments to the Secretary, it merely followed the provisions of article 166 of the Civil Services Regulations and made its intention explicit, namely, that the Secretary must work satisfactorily in order to deserve his increment and that the power of recommending the increment or withholding the same should remain with the Council; in the latter case, of course, it will be necessary for the Council to submit reasons in the Budget for the decision of Government. The reasons which may justify the withholding of an increment need not ordinarily be sufficient to call for removal from office which can be done only when the person is found absolutely unfit or incompetent to go on with his work.

Paragraph 4 of the C.O. The

present staff of 41 scavengers is adequate for the actual needs of the scavenging service. The Chairman is authorized to increase the number as found necessary.

The meeting then terminated.

Chairman, M. C.

Vide paragraph 3 of G.O. No. 896 M. 1115, dated 26th June 1899. The Sanitary Commissioner having considered the present number to be inadequate, an increase of 150 sweepers is made for the present, and the total number is considered adequate for the actual needs of the town.

The Conservancy supervising staff having been reduced in strength, it has become necessary to entertain four separate men as reporters who will report the occurrences of births and deaths as duty formerly done by the Ward Sanitary Sub-inspectors on payment of additional remuneration and also do certain other duties connected with taxation, vide para- graph 3 of the Chairman's letter read in G.O. No. 896 M. 1115, dated 26th June 1899, sanctioning the entertainment of the four hands. Their pay has been proposed to be debited in equal proportions to Grants 3 and 5.
