To REENT No. 2108 M

CHAIRMAN, MUNICIPAL COUNCIL,

TIRUPATI,

The Secretary to Government,
Local and Municipal Department,
Madras.

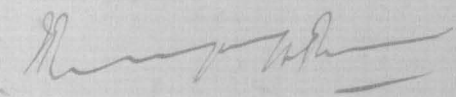

Sir,

In para 24 of the budget report
dated 15th March 1899, it was proposed
to levy the water tax on buildings alone
at 4 per cent on their annual value.
But the Government have, in para
3 of their aforesaid order, sanctioned
the levy of water and drainage tax on
buildings and lands at the percentage
above referred to. I have therefore
the honor to be enlightened as to whether
it is the intention of Government
to levy the said tax both on buildings
and lands, or, on buildings only.
I am obliged to entertain doubts on

on this point as credit is taken for
Rs. 1600 for water tax which is the
amount estimate at 4 percent on
buildings alone.

I have the honor to be

Sir,
your most obedient servant

Chairman
