(Through the Divisional Officer and the Collector,

Sir,

I am submitting herewith a sale list in the
Tocum Extension quarters of this Municipality for the quarter
ending 30th June 1899, I have the honor to state that the
site sold will not be found marked in the plan submitted
with this office No 114, dated 11th June 1899 as it does
not form a part of the Arundelpete, but of Amadalepete -
a continuation of the former, only separated from it by
the Railway station premises. Accordingly a separate
plan is herewith forwarded with the site sold to Muhammad
Hussain Sahib marked yellow thereon.

2. In this connection, I beg to submit that at
the time when the Municipality purchased the lands now

known as Arundelpetah for extension of the town, it was also contemplated to extend the town by the purchase of the lands to the south of the railway station premises, but this idea was abandoned as the people in need of house-sites had of their own accord brought the fields without the intervention of the municipality, and after having left sufficient ground for roads &c for which some compensation was paid by the Municipal Council for they were laid in accordance with its instructions, the rest was apportioned among themselves for constructing houses, and this extension is now known as Amadalapett. It is one of the roads that laid out that was sold to Muhammed Hussain Sahib B.A, Sub Assistant Inspector of Muhammedan schools, Northern Circle, as the same is not used as a public thoroughfare for want of extension beyond it, and it was given to him under the following circumstances. There are Muhammedans occupying this part of the petah who are in need of a school house, its want being keenly felt by them. The Council on a representation by the Muhammedan Sub Assistant Inspector of schools sold the piece of land on the distinct understanding that it should be used for a school house, and

if not so used within six months from the date
* herewith submitted of resolution, it should revert to the municipality.

3. In these circumstances I request that you will be pleased to obtain the sanction of the Government for the sale of the land.

I have the honor to be,
Sir,

Your most obedient servant

Chairman, M.C.
