The Secretary to the Government
Local and Municipal Department
Fort Saint George

Through the Collector of the Nilgiris.

Sir,

I have the honor to acknowledge ^{the receipt} this day of G.O. No. 1038 M. Dis. dated 24th July 99, and to state that I have asked the Sanitary Commissioner whether he can recommend a qualified European for the post of Sanitary Inspector in this Municipality.

2. With reference to that officer's letter No. 1599 S. dated 1st June recorded in the Proceedings of the Government, I beg to say that the order cited was not followed in the case of Mr. Watson, because the Sanitary Commissioner was unable to supply a qualified Sanitary Inspector to take the place of Mr. S.R. Macdonald, as reported to you in my letter No. 4663 dated the 14th December 98. Also because an Inspector was required urgently to take the place of the Certificated Sanitary Inspector

80 254 M.
24-2-99

Inspector Mahomed Yusuf, who was deter-
-mined to leave the Municipality, and there
was no person in Ootacamund who could
be put into his place. (Vide my letter dated
19 May 99. No. 124 M. Para 2.)

3. In the case of Mr. Aldridge although
the Sanitary Commissioner in Para 4 of his
letter recorded in the Proceedings of the
Government No. 254 M. Mis. dated 24 February
1899, promised "that the Ootacamund
appointment will be open for Eurasians
and Europeans", and that he would
"secure the necessary common sense
and disciplinary type of man required
by the Council duly furnished with
Sanitary Knowledge", the man actually
sent up is a Brahmin - P. S. Ramasamy Iyer.
who is unable to control the men placed
under him. Whether a Brahmin is the right
kind of man to inspect Pariah huts, latrines
used by Pariahs, slaughter houses &c is a
question which I will not venture to answer.

4. Referring to Para 2 of the Sanitary Com-
-missioner's letter cited in Para 2 supra,
regarding Sanitary Inspectors finding security,
I would refer to the "Note printed in Pro-
-ceedings of the Government, Financial No. 1059
dated 29 May 1883, on Municipal accounts
and office management, Para 16. Private
Scavenging fees to be collected by nuisance
Inspectors. The position occupied by
Sanitary Inspectors obliges them to collect
taxes

1038 M
24-7-99

Vide Paras 2 & 3
of my letter to the
Secretary to Govern-
-ment, No. 3304 -
dated 30 Septem-
-ber '98.

For No. 504 M
19-4-99

* Rs 35 with pony
allowance of Rs 15.

When given for coming
taxes and fees at times, and, in the interests
and security of the Municipality, it is
absolutely essential that these employes
should be required to give some security.
I have since assuming charge of the
Chairmanship of this Municipality
relieved the Inspectors from the duty of
Collecting "Scavenging fees".

5. The Government will now be in a
position to test the statement made
in the Sanitary Commissioner's letter No.
1784 S. dated 5 July 99, whether European
qualified men for the post of Sanitary
Inspector of the Ootacamund Municipality,
can be easily found on the pay and
allowance sanctioned by the Government.

I have the honor to be,
Sir,

Your most obedient servant,

W. Ramasamy
