The Secretary to Government,

Local & Municipal Department,

Madras.

Sir,

I have the honour to acknowledge the receipt of L.O. No. 545 M. M. dated the 15th June 1899, declining to sanction the proposal of Straightening the North Cotton Road on the ground that the estimated closing balance of 1899-1900 is only Rs 1,700.

With reference to the above, I beg to submit that the closing balance is not Rs 1,700 but Rs 4,200 if the difference between the closing balance according to the revised estimate of 1898-99, and the actual balance according to the annual statement now under review is added. This represents 9.5 per cent of the ordinary receipts and not 3.9 as stated in L.O. No. 360 M. dated 14th March 1899. The cost of the alteration of the road and the Conduit will amount to about Rs 1380 of which the owners of the adjacent lands have undertaken to pay half.

In consideration of the advantages to be derived from the straightening of this road and of the small outlay which under above circumstances the Municipality is well able to bear, I have the honour to request that Government will be pleased to reconsider

② The actual opening balance for 1899-1900 exceeds the estimated opening balance by Rs 2500.

the previous order and sanction the work.

A copy of the resolution of the Council on the subject is enclosed.

Chairman.

I have the honor to acknowledge the receipt of J. O. No. 325 in this date the 12th June 1899, containing the statement the proposal of straightening the North Cotton Road on the ground that the estimated clearing balance of 1899-1900 is only Rs. 1,700. I have referred to the above and find that the clearing balance is not Rs. 1,700 but Rs. 2,200 if the difference between the clearing balance according to the revised estimate of 1898-99 and the actual balance according to the annual statement now under revision is added. This reference is for one of the ordinary receipts and not Rs. 2,200 as stated in J. O. No. 325 in this date 12th June 1899. The cost of the alteration of the Road and the Road will amount to about Rs. 1,800 of which the owners of the adjacent lands have undertaken to pay half.

In consideration of the advantages to be derived from the straightening of the Road and of the small outlay which under these circumstances the Municipality is well able to bear, I have the honor to request that Government will be pleased to sanction the
