2. An attempt was made without success to ascertain the exact terms on which the fund was handed over to the Council. The fund was raised for the ~~formation~~ ^{formation} and maintenance of the Peoples Park, but the Park has now been given up. The amount in question Rs 100 per annum, is very small, and the object of the Municipal Garden very much the same as that of the Peoples Park, and I do not think any objection need be raised to the Council's proposal.
