Sir,

With reference to the memorandum of Government No 806 dated the 3d instant, calling for explanation of certain discrepancies noticed in the Annual report of 1898-99, I have the honor to state as follows:-

(1) The expenditure under Grant V. C. Contingencies of Rs 484-7-0 Consists of Rs 199-12-0 Cost of furniture, Rs 160-1-3 Cost of printed accounts forms, Rs 41-0-0 Cost of postage, Rs 45-9-0 Cost of stationery, Rs 12-4-9 rent for a store-room, and Rs 25-12-0 Sundry Charges. If the above details are entered otherwise in the Annual report, it is clerical error, and I request that necessary Corrections may be caused to be made.

(2) The difference in the Numbers of in-patients and out-patients treated at the Municipal Hospital Palni, between the Apothecary's report and the Statement submitted by me is explained by the Apothecary as due to the inclusion in his report of the in-patients that remained at the close of the previous year with the admissions of the year under report. As the Medical Officer's report was not received before the Submission of the Annual Statements,

statement of the numbers treated during the year was obtained from the Apothecary and shown in the Annual statements submitted from this office. The Correct figures are 106 in-patients and 9009 out-patients as shown below:-

	in-patients.	out-patients
Remaining at the beginning of the year	3	9
New admissions during the year	103	9000
Total	106	9009

I have the honor to be
