Sir

I have the honor to bring to your notice that a special Technical Class was opened lately in the High School at the request of the townsmen. The Inspector of Schools objected to its being opened on the ground that the sanction of the Government should be obtained before it is opened and reported the same to the Director of Public Instruction. The Director in his Proceedings No: 5209 dated 11th ultimo, endorsed the same opinion. I therefore request you will be good enough to obtain the sanction of the Government to open a special Technical Class. The copy of the Council's resolution is herein enclosed.

I have the honor to be,

Sir With reference to Memorandum No: 808 dated 4th inst. I have the honor to report that no additional establishment will be required for the opening of the Special Technical Class.

The Commercial Teacher who has already been appointed to impart instruction to the students of the 4th Form in Commercial Subjects will teach the students of the Technical Class in his leisure hours. This arrangement will be a source of additional income to the Municipality.

As the Commercial Teacher will take the class at a time when he will not be engaged in the schoolwork ~~the schoolwork~~ the opening of the Technical Class will not at all interfere with the regular work of the school.

Banking, Commercial Correspondence, and Book-Keeping will be given to the students of the Technical Class on payment of a monthly fee of Rs 1.0.0. The class will be held only 1 1/2 hours a day.

I have the honor to be,
Sir
