No. 463

From

R. F. Austin Esquire, I.C.S.
Chairman,

LOCAL & MUNICIPAL DEPT. Tellicherry.
No. 2235M

To

The Secretary to Government,
Local and Municipal Department,
Fort St George,

Sir,

With reference to Government -
Memorandum No. 825, dated 11th August 1899, I have
the honor to render the following explanation as regards
the discrepancies referred to, in the several clauses.
2. Clause (4). In column 4 of Statement II. a, Part II
the expenditure for repairing Brennen College building
should be Rs 58. 12. 8 and not Rs 58. 13. 2. This will
make the total Rs 285. 3. 2 correct. This necessitates
a correction in para 41 of the Administration report
where the figure under Brennen College Contingency -
should be Rs 232. 4. 9 and under repairs Rs 58. 12. 8.

Clause (6). In statement IV. B of the annual statement
for 1897-98 a sum of Rs 153. ... under Tax on Vehicles
and Rs 56. ... under animals was shown as balance, but
at the audit of the accounts for that year in February 1899

these.

these figures were raised by the Auditor to Rs 206-...- and Rs 74-8-... respectively. Subsequently at the preparation of the Annual Statements for the Administration report for 1898-99 it was found that Rs 9-...- under Tax on Vehicles and Rs 1-8-...- under animals were erroneously included in the figure raised at the audit. Hence the difference.

Clause (8). 953 is the correct figure. Volunteer - Sergeant Instructors' name was included in the profession tax register maintained for 1898-99 but the amount of Rs 4-...- recovered as profession tax on his behalf was, as usual, shown under "Grants and Contributions 5 iii other purposes." This amount was therefore deducted from the total of tax on arts but the total number of assesses in column 20 was through an oversight not reduced by one although this has been done in the particulars making up this total.

Clause (11). The total number of children that were not available for vaccination is 249 but in the details making up this total, 54 should have been put as still-born instead of 53.

The discrepancies noted in clauses (1) to (3), (5), (7), (9) and (10) are noted.

I have the honor to be,

Sir,

Your most obedient servant

Chairman.

Memorandum No. 825 of 11-8-99

Read the following paper:—

The following points are noticed in the Chairman's and the Medical Officer's reports and in the statements submitted with the former:—

(1) In Column 2 of Statement I, the grant of Rs. 45-15-0 received from Provincial funds on account of the library of the Brennen College should have been shown under 5.(a) (i) "Schools" and not under "Other purposes."

(2) In Column 2 of Statement II, the pensionary contribution amounting to Rs. 108-12-4 paid on behalf of the Principal of the Brennen College should have been debited to Grant 2.2 (i) "Establishment" and not to 7.(c) "Other items."

(3) In Column 5 of Statement II, the figures of the revised estimate for 1898-99 as given in the statement printed in para. 1 of G.O. No. 250 M., dated 23rd February 1899, should have been adopted.

(4) In Column 2 of Statement II, and in Column 4 of Statement II.A Part II, the total expenditure on "Repairs Buildings" is given as Rs.285-3-2, but according to the details furnished in the latter statement, it was Rs.285-3-8.

(5) Statement II.B should have been omitted with reference to Clause (21) of para.1 of G.O., No.2149 L., dated 8th November 1898.

(6) In Column 3 of Statement IV.B, the arrears of 1897-98 under the taxes on vehicles and animals are given as Rs.197, and Rs.75, respectively, but according to statement IV submitted with the audit report for that year they were Rs.206 and Rs.74-8-0.

(7) Column 2 of Statement VII has not been filled in.

(8) In Column 20 of Statement IX.A, the total number of persons assessed to the tax on arts is given as 954, but the correct total of the details furnished is 955.

(9) In para.65 of the Chairman's report, the expenditure under toll contingencies is given as Rs.15-6-0, instead of Rs.0-15-6 as in Column 2 of Statement II.

(10)

(10) In para.4 of the Medical Officer's report, the total number of births in 1897-98 is given as 720, instead of 791, and the number of prosecutions instituted for failure to register births in 1898-99 is entered as 23, instead of 22 as in Column 3 of Statement XIII.

(11) In the same para., the total number of children that were not available for vaccination is given as 249, but according to the details furnished therein it was 248.

The necessary corrections have now been made with reference to clauses (1) to (3), (5), (7), (9) and (10), above. The discrepancies noticed in clauses (4), (6), (8) and (11) should be explained as soon as possible.
