SUBJECT.

Alienation of certain land in the
Conjeevaram Municipality.

ORDER.

No. 1296 Muns 8792

The Municipal Council's proposal to make a gift of the land in question cannot be approved. The Council may, however, allow the encroachment to stand, charging rent for the land encroached upon under section 268 of the Act.

note

It does not appear to be desirable that the Council should make an absolute gift of the land encroached upon, as there will then be no certainty that the land will always be used for the purpose for which it is now proposed.

Sir,

I have the honor to state that Mr. Rai Bahadur Dharma Ratnakara Aroob Narayanaswamy Mudaliar, a member of Bangalore was sojourning here for a few days in March last on account of prevalence of plague in the Mysore province. He then performed various acts of charity such as feeding the poor, worshipping deities &c. Amongst others, he wanted to found a caste Hindu girls' School at the request of some of the leading gentlemen of this place. He accordingly purchased a site with the building thereon (Premises No. 35+36 in Rosa Street of ward No. 2) opposite the Taluk office for Rs 1500 and made certain alterations.

therein so as to make it suitable for a school house. In doing so, a small mud eminence measuring 30'-6" by 6'-6" in front of this building has been converted into a puhka Koradu under the impression that it was private property. On examining it with the survey plan, it is found to be poramboke. It is well within the side ditch of the road and is not in any way obstructive to the public. In consideration that the site is useful for a girls' school, the Council is willing to hand it over to Rai Bahadur — Dharma Ratnakara Arest. Narayanasawmy Mudaliar Avergal as a gift. I request that you will be so good as to obtain the sanction of Government thereto. In this connection I may say, for the information of Government that M. R. R. Narayanasawmy Mudaliar has made an endowment so as to give a permanent monthly income of Rs 30. for the support of the school and intends to recast the present building at a cost of about Rs 6,000.

2. Acopy of the resolution of the Council and a sketch showing the site are herein enclosed.

I have the honor to be
