Memorial from the Citizens of Calicut praying that the

To

Governor and President in Council,

F O R T S T: G E O R G E.

Most respectfully sheweth,

That the undersigned memorialists beg respectfully to bring to the notice of His Excellency the Governor in Council the most unsatisfactory and insanitary condition of the Roman Catholic burial ground in this town.

2. That the said burial ground was found by the Municipal Council so far back as 1886 to be overcrowded and dangerous to the public health and ^{it was} ordered to be closed, but the order was not carried into effect as the Municipality had not provided another burial ground for the Roman Catholic Community.

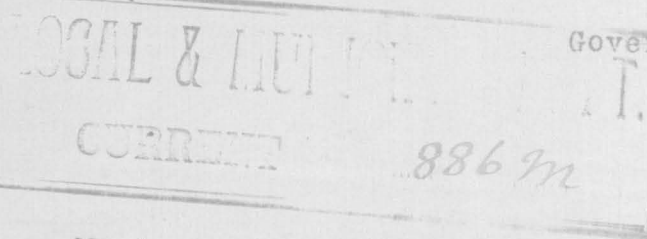

3. That the burial ground is situate in a thickly populated locality and is only a few yards from the Law Courts and its present condition is as bad as ever. At every new interment the soil full of partially decomposed matter is again exposed to the air.

4. That the Captain's tank which is only a few feet from the Court Compound is full of putrid matter on account of its close proximity to the said cemetery and ^{is} a source of danger to the health of hundreds.

5. That the said cemetery has been repeatedly condemned by the Sanitary Authorities for more reasons than one.

6. That though a site, the memorialists understand, has been selected and the same approved of by the Sanitary Commissioner so far back as 1897, nothing appears to have been done to acquire the land and open a new burial ground.

7. That the prevalence of different kinds of epidemics in and out of the Presidency must certainly prevail upon the Municipal Council of this town to look to stringent remedial and im-

immediate measures to prevent the dreadful epidemics from visiting our town.

8. That, as the memorialists despair of the Municipal Council taking any steps at a near date to close the said Cemetery, they respectfully beg to approach His Excellency the Governor in Council and pray that Government may be pleased to pass stringent orders for the immediate closing of the said burial ground. For which act of kindness the memorialists shall as in duty bound ever pray.
