Sir,

I have the honor to offer the following remarks on the Calicut Municipal Budget for 1899-1900 in so far as it relates to Vaccination and Conserwaney: -

(1) Government having disallowed the Councils proposal to reduce the existing Vaccine establish-ment, the allotment should be raised to the current year's figure - Vide G.O. No. 2189 M, this, dated 17th December 1898.

(2) The proposed Conserwaney expenditure is 26.1 percent of the estimated Current receipts and is insufficient, in view of my remarks on the current budget regarding the staff of scavengers.

(3) No horse allowance is provided for the Assistant Sanitary Inspectors. This is necessary, if efficient supervision is desired as the area ^{of the Municipality} to be supervised is unusually large

large. If this be not conceded, the Council should provide an efficient bicycle.
