The Secretary to Government

Sir

With reference to clause (1) of
your official memorandum N^o 377 dated
30th March 1899, I have the honor to state
that the closing balance as audited by
the Assistant Inspector of Local Fund
Accounts for the year 1897-98 was Rs 166001.704
as detailed below

Municipal Fund	- 22688-4-11
Water Tax Fund	188689-15-3

These figures were entered in Column
6 headed "Actuals of 1897-98 (audited figures)"

2. But as remarked by Government
in para 5 of G.O. N^o 1714 M. dated

these balances were modified as shown below:-

Municipal Fund	—	- 25588
Water Tax Fund	—	191590
Total		<u>166002</u>

3. These differences were pointed out to the Auditor during his audit of the accounts for 1897-98 and he made the following remarks in his notes

"Para 142. The Municipal balance as in statement II was a deficit of Rs 22688. Whereas in para 5 of G.O. n^o 1714 M of 11-10-98 a deficit of Rs 25588 was shown with a corresponding difference of Rs 2900 under Water Tax balance, there was nothing to show how the difference in the apportionment of the Municipal and water tax balances which did not however interfere with the balance on the whole came short"

4. In as much as the balance on the whole was not affected as observed by the Auditor, I have thought it safe to adopt the figures communicated by Government in G.O. quoted above.

5. The office copy of the Budget has been corrected with reference to

- the errors pointed out.
6. The instructions contained in other clauses will be carried out.

I have the honor to be,
sir,
Your most obedient servant,
