Appointment of a Secretary
to the Cocanada municipality.

For H.M.

For Orders.

The appointment of a secretary to the Municipal Council of Cocanada on a salary of Rs 125 - 5 - 150 having X. been sanctioned in G.O. No. 1914 M, dated 1st September 1897, the Council nominated for the place one G.L. Narasimham B.A., B.C.E., who was employed Vide ch's letter in p. 2238 m / 13-10-97 C. as an overseer in the Baroda state on a salary of Rs 100 per mensem. The Government, however, observed that the Council's nominee who was an inexperienced young man was not the most suitable person for the appointment and as the proposed salary was considered adequate to secure the services of a man of practical experience, the Government directed the Council to select a candidate with the qualification indicated. C. Vide G.O. No.2238 M dated 13th October ~~[illegible]~~ 1897.

2. The Council, however, again unanimously recommended the appointment of G.L. Narasimham as its secretary on probation for one year, stating that the chief qualification for the post Vide ch's letter in p. 185 m / 25-1-98 S. was a fair knowledge of Engineering and that the Council had not been able to secure the services of a man of larger practical experience in Engineer
in

Engineering (for Rs 150) than its nominee. The Government Government, while again disapproving the nomination, pointed out that the Secretary should be a capable man possessing official and executive experience, who could exercise efficient control over the work of the other Municipal servants, attend to the prompt realization of Municipal revenues and discharge almost all the office and outdoor duties of a Chairman satisfactorily, and accordingly asked the Council to select a candidate possessing these qualifications. The Council, however, reiterated its conviction that a knowledge of Engineering was absolutely essential to the Secretary, but as the salary of Rs 150 then offered was not was not sufficiently tempting to secure a proper person, it requested that the salary might be raised to Rs 200. The Government, while disagreeing with the Council in its observation that the person selected for the post of Secretary should necessarily possess a knowledge of Engineering, refused to increase the salary of the appointment as proposed and directed the Council to nominate without delay a candidate possessing the qualifications indicated in G.O. No. 189 M dated 25th January 1898.

3. With the first of the letters read above, the Chairman forwarded a resolution of the Municipal Council, recommending the appointment, on probation for six months, of one K. Krishna Rao Nayudu, Delta Superintendent in the Public Works Department on a salary of Rs 70 per mensem. The Deputy Collector was of opinion that the ~~nominee~~ was the best of the applicants and the

the Collector, while sharing the view expressed by his Deputy, observed that the period of probation might be extended to one year. The Chairman who was then asked to report the age and the general educational qualifications of the Council's nominee, stated that Krishna Rao Nayudu was 42 years old, that his general ~~al~~ qualifications were nil, as he had not passed either the U.C.S. or the Matriculation examination, and that his attainments fell short of the standard of efficiency that one seeking to fill the office in question should reasonably be expected to possess.

4. With the last letter, the Chairman submits a copy of the Council's resolution dated 13th February 1899, nominating in supersession of its resolution dated 3rd September 1898 proposing the appointment of Krishna Rao Nayudu, one D.V. Prakasa Rao for the office of Secretary and requesting Government to lend his services to the Municipality.

5. The present nominee, who is 33 years old, is a graduate in arts and is the Head Accountant on Rs 85 in the Godavari Treasury Deputy Collector's office. The Chairman states that the Council was unanimous in its resolution, that having regard to the age and educational qualifications as well as the general experience of the present nominee, as compared with those of the other applicants, the choice cannot but be a well-considered one, that the nominee is an

elected Councillor, that as ~~the~~ Treasurer and Assistant Secretary of the Godavari District Committee of the Indian charitable Relief Fund and as member of the Plague Committee of Cocanada, he worked hard and zealously, and that the Council has every confidence that he will discharge the duties of Secretary with credit and satisfaction. As, however, his qualifying service is below ten years, the Chairman states that the sanction of the Government of India should be obtained for the loan of his services to the Council. The Collector, observes, that the nominee is a well educated and energetic man and is likely to give satisfaction, that he has plenty of ability and that he will do his best; and as his qualifying service is only eight years and 8 months, the Collector recommends that the sanction of the Government of India may be obtained for the loan of his services in the event of Government **approving** the nomination.

Vide his endt. L.

6. Under Article 806 of the Civil Service Regulations, an officer cannot be transferred to foreign service of the first kind unless he has ten years' qualifying service (for pension) under Government or belongs to one of the special services specified therein. As Prakasa Rao does not possess the required length of service, he cannot be transferred to the Municipality without the sanction of the Government of India, and it is for consideration whether application should be made to that Government for a relaxation of the provisions of the Civil Service Regulations as

[illegible] that the

as recommended by the Collector. It is however, observed that there are no special reasons in this case for making a recommendation to the Government of India for such a relaxation. In this Council

7. It is not proposed to delegate to the Secretary the Chairman's powers other than those the delegation of which is compulsory under clause (d) of sec. 39 A of the Act. The Council may be asked to reconsider its resolution in the matter and report whether the Chairman's powers under the following sections of the Act may not also be delegated to him:-

Sections 28 (2), 31(2), 31 (3), 32(1) 32 (2), 42, 45, 52, 52 B, 54, 56, 61, 62 63, 66, 69-A, 69-D, 72, 73(1), 73(2), 77, 79, 80, 82, 83, 85 (3), 86, 89, 90, 91(2) 95, 96, 100, 102, 103(1) & (2), 104, 107 110, 134, 138 (1) & (2), 148 (1) & (2), 149-A, 153, 156, 159, 165, 170, 171, 173, 181, 182, 183, 188, 191 (2), 194 (3) 173, 181, 182, 183, 188, 191 (2), 194 (3) 204 (1) & (2), 205, 209, 218, 231, 232(1) & (2), 233, 274, 275 (1), 280, and 281.

It is also desirable that the Secretary should have control over the conservancy and other outdoor staffs and should have power to appoint, fine, suspend and dismiss all servants of the Municipality on a salary of Rs 15 per mensem and below.

The policy appears to have been to insist on these powers being delegated; but in view of the dislike of the Council to the appointment of a Secretary at all, it seems a question whether at first the Chairman might not be left in possession of more power than he will have, if all these powers are delegated.

Sir,

I have the honour to submit for your approval and Sanction the resolution of the Council regarding the appointment of Secretary. Several meetings were held for the purpose and the delay in arriving at a resolution is due to the fact of the capacity and qualifications of none of the applicants coming up to my ideal of what a secretary ought to be or the standard of efficiency and usefulness predicated by Government in its G.O No. 189 M. Mis., dated 25° January 1898.

2. I am glad to observe that the Council entirely shared in my views but as the subject can no longer be put off & Government having desired in its G.O No. 1261 M. Mis dated 13° July 1898 that the subject may be decided without delay, it was taken in hand and the aforesaid decision arrived at.

K. Kristna Row - Sub overseer 1st Grade - has served under my orders when in charge of the Rajahmundry Division for three months; during which time I can testify to the zealous discharge of the duties entrusted to him. He has been educated in the Engineering College Madras and seems to be well grounded in the theoretical point of Engineering. He has only been in the P. W. Sir,

Adverting to your memorandum dated the 3d December 1898, I have the honour to report that the age of M. R. Ry K Krishna Rao Naidu, nominated for the post of Secretary to this Municipality is 42. His general educational qualifications are nil as he did not pass either the Uncovenanted Civil Service Test or the Matriculation Examination. He however passed the competitive examination for overseer's class in the College of Engineering in 1875 and the overseer's test in 1878. Having possessed a certificate from the College of Engineering as overseer, he was exempte from passing the uncovenanted Civil Serv Examination agreeably to G.O No 1530 of 12 May 1866. Sir,

In continuation of my letter No. 1217 dated 28th January 1899 and telegram dated 11th February 1899, I have the honour to enclose copy of the Council's resolution dated 13th February 1899 regarding the appointment of Secretary to this municipality. The council was unanimous in its resolution and having regard to the age and educational qualifications as well as the general experience of the present nominee in comparison with those of the several applicants for the post, the choice cannot but be a well-considered one. He is a graduate of 9 years standing and passed the special tests noted in the margin. He, at present, holds the office of English

1 Account Test Higher
2 Translation Higher with viva voce Interpretation Test
3. Precis Higher.

Head Accountant in the Godavari District Treasury on a salary of Rs 85/- per mensem — having been in Government Service for about 10 years. His present age is 33 years. He was elected as councillor for the 1st ward in the election held on 17° September 1898 and has since been representing that ward. He worked zealously and did good and useful work as Treasurer and Assistant Secretary of the Godavari District Committee of the Indian Charitable Relief Fund and as member of the Plague Committee of Cocanada. The Council has every confidence that he will discharge the duties of the office of the Secretary with credit and satisfaction and I beg that you will be pleased to appoint him as Secretary as soon as possible. As it appears that his qualifying service under Government falls a little short of 10 years when the period of his leave on loss of pay is taken into account, I request that Government will be so good as to obtain the formal sanction of the Government of India to lend his services to this municipality.

I have the honour to be,

Sir,

2 The undersigned is not aware of the correspondence quoted in the preamble to the Chairman's letter. The Council's nominee is Head Accountant in my office whose qualifying service amounts to 8 years and 8 months so that it is necessary to obtain the sanction of the Government of India for the loan of his services in the event of Government approving his nomination which I beg to recommend.

3 The nominee is a well educated and energetic man and is likely to give satisfaction. He has plenty of ability and I have no doubt will do his best.
