Tinnevely District Collector's Office,
Dated 14th. April 1899

From

E. Scott Esquire,

Acting Collector of the
Tinnevely District,

To

THE SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT,

Madras.

Sir,

Under the proviso to rule 3 of the Municipal Election Rules printed in G.O.No.1950-M.,dated 19th.November 1898,a person possessed of the necessary property qualifications -- under Clause (a) of rule 3 cannot be registered as a voter, unless he has been possessed of the necessary property qualification or has been resident in the Municipality for six months. Some cases recently came before me under rule 10 in which persons who had not been residents and whose ownership had not been evidenced by registration in the municipal --- books, for six months, had been registered as voters on the ground ~~then~~ that, though their ownership had not been registered in the municipal registers, they had been possessed of the requisite property qualification under Clause (a) of rule 3 for six months, and it was not necessary under the proviso to rule 3 that the ownership should have been evidenced in the municipal books for six months.

2. I decided that it was necessary that the ownership should have been evidenced by registration in the municipal books for six months preceding the date of publication of the register of voters, as otherwise it would be necessary -- for the Chairman to spend time in making enquiries as to -- ownership and the proviso as to registration in rule 3(a) -- showed that it was not intended that the Chairman should go beyond the municipal registers.

3. The matter is ^{not} however, free from doubt and I have --

therefore the honour to refer the question to Government --
for an authoritative ruling.

I have the honour to be,

Sir,

Your most obedient servant,
