CURRENT No. 1099M

To The Secretary to Government,

Local and Municipal Department,
Madras.

Sir,

In obedience to the reminder No 421 dated

14th Instant, I have the honor to submit that after

the receipt of the Type Designs from the Sanitary Board,

the Council resolved to get estimates prepared to ascertain

the cost of all the buildings required in connection with

the new hospital; and accordingly it was found that

all of them if constructed on the pattern of the designs

would cost over a lac of rupees - an amount far

beyond the competency of the municipal funds as they

have other and more necessary calls upon them. Seeing

therefore the prohibitive cost of the buildings if undertaken

as per the Sanitary Board's designs, the Council is

now trying to get a cheaper set of buildings.

From the remarks of the Collector embodied in L.O. No 29/4
dated 15th February 199 (Review of the Budget of this
Municipality), it came to know that the District Board
had submitted to the Government for approval
plans and estimates for a Hospital building at Bangalore
at a moderate cost, and it was deemed desirable to
apply for copies of the same plans and estimates so
that if they should suit this municipality they might
be adopted. The President of the Board has been
accordingly addressed on the matter, and as soon as
the required information is received, the Council will
come to a definite conclusion on the long-pending
question of the construction of the Hospital buildings.
I shall therefore lose no time in submitting the
same for the orders of the Government.

I have the honor to be,

Sir,
Your most obedient servant

Chairman, M.B.
