It is difficult to collect the fees in advance quarterly without detriment to the private scavenging service.

THE CHAIRMAN,

MUNICIPAL COUNCIL,

The Secretary to Government

Local and Municipal Department

Fort Saint George

SIR,

I have the honour to inform you that the private scavenging fees are now being collected monthly and in advance. The Inspector of Local Fund accounts in his letter No. 893 dated the 28th March 1899 objects to this system and recommends that the fees should be collected quarterly and in advance. The suggestion of the Inspector of Local Fund accounts was discussed by the Municipal Council at the meeting held this day and the Council is of opinion that considering the poverty of several of the inhabitants, most of whom are poor Mahamans, it is not advisable to

enforce

the collection of fees in advance quarterly that if it should be insisted on the private scavenging system which is now becoming popular will become unpopular and that several people who now utilize the services of the Municipal Cories are likely to withdraw. An Extract from the Proceedings of the Municipal Council is submitted herewith.

2. I may be permitted to add that now that, according to the Amendment Act, these fees can be recovered like all other taxes and fees, there would be no difficulty in collecting these fees, even if they be not collected in advance either monthly or quarterly. I have therefore the honour to request you will be pleased to obtain the sanction of Government for collecting these fees in advance monthly as heretofore instead of quarterly as suggested by the Inspector of Local Fund accounts.

I have the honour to be
