THE CHAIRMAN,

MUNICIPAL COUNCIL,

MUNICIPAL DEPT.

1082 M

To

The Secretary to Government
Local and Municipal Department
Fort Saint George.

SIR,

I have the honour to state that on the 1st November 1898, the number of private houses served by municipal toties was 765 with an income of Rs 130. There were then 16 toties on Rs 6 each one bill collector on Rs 7 and a maistry on Rs 7 and the sanction for the employment of these was obtained in Government A. Order No 2063 M. Ins dated 5th December 1898. The number of houses has since increased to 935 with a monthly income of Rs 185. To carry out the extra work satisfactorily the Municipal Council has employed from today 4 additional toties on Rs 6 each and a clerk on Rs 10. The employment of the clerk is very

1082/m/99

very necessary to prepare about
50 bills every month to enable
the amount to be collected in advance,
& supervise and check the collections
under this head. The present office
staff which is inadequate to cope
with the ordinary office work cannot
be burdened with this additional
work without detriment to their
work. The total monthly cost of the
establishment on the proposed scale
comes up to Rs 144 with an income
of Rs 185, and, making an allowance
of Rs 6 for contingencies, there will
be a clear saving of at least Rs 35
a month to the Municipality from
the private scavenging fees.

I have therefore the honour
to request that you will be pleased
to obtain the sanction of Govern-
ment at an early date for the
employment of the additional staff
which is very necessary to maintain
and increase the popularity of
the service. The necessary
proposition statement and the
extract of the Proceedings of
the

the Council are herewith sub-
mitted.

I have the honour to be

Sir,

Your Most obedient Servant

Udambaram
