With reference to G.O. No. 13620n. dated

was called for regarding the non-utilization
of more than half of the allotment for
result grants during the year 1897-98. I have
the honor to annex an extract from the Adminis-
tration report on Education in the Nilgiris

The savings under results grants were due to

the inefficient condition of the results
Schools, and to the reduction of the American
Mission Lower Secondary School to the primary
grade, in consequence of which the provision
made for the Lower Secondary department
remained unspent. x x x

When it was found that there were savings
under results grants, a letter was addressed
to the Chairman requesting that the
savings might be utilized in sanctioning
grants applied for, and recommended on
behalf of the Saint Anthony's School. —
But before receipt of this letter, the Chairman
sanctioned the grants from Miscellaneous
provision. Hence, the savings under results
grants remained unspent. —
