Municipal Office,

Vizianagaram, 26th April 1899.

From

The Secretary to Government

Madras.

To,

With reference to para 4(4) of G.O No 15-10-M dated 25th August last asking the Council to explain the cause of neglect in instituting prosecutions for failure to report the occurrences of births and deaths, I have the honor to state that there were some 37 cases of prosecutions sanctioned by the Council during the year, but they were not filed in the Court as the Bench Magistrates have thrown out cases on several previous occasions holding that, as long as the information of such occurrences is secured in the municipal office by any manner of means either through the Registrar, the Conservancy sergeants or peons, it is sufficient for the purposes of municipal act & that the fact of failure to report cases by the parties concerned does not constitute an offence under the act. Under these circumstances the municipal executive

did

did not prefer the charges before the Bench and
hence no prosecutions were shown in the
annual report -

During the year 1898-99 however as the
Bench were found to have changed their
views, so many as 30 prosecutions were filed
in the Bench Court and the parties in all cases
were fined as they deserved -

I have the honor to be

Your most obedient servant

Venkatayya
