Forwarded to the

Secretary to the Government, Local and Municipal Department.

There is no objection to the sales from a sanitary point

view, but

the undersigned

wishes to point out that

the market value of the land

in the second case is reported to

be eight annas a square yard.

There is no real need for a

Comm. Hall at Bezvada, and

any private association desiring

to build a hall should pay

the full value. In G.O.

dated 8th August 1898

No 1392. H. Misc. the Government

declined to allow the sale of land

at less than the market value

for the purpose of building a

church.
