my opinion. It seems to me that
the Council ought to welcome a
project of increasing its income
from such an unobjectionable
source. The Council have accepted
the rates for construction of new

SOUTH ARCOT.

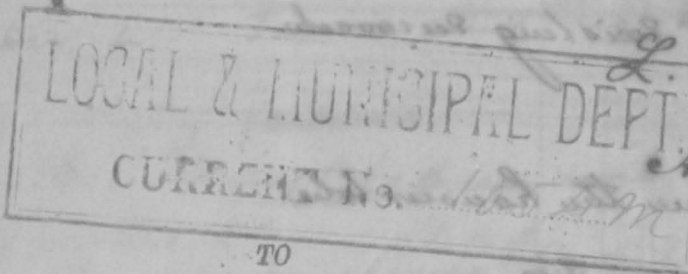

COLLECTOR'S OFFICE,

Disposal No. 239 of 88

Cuddalore

DATED 12th April 1899.

FROM

L. M. Mynick Esquire I.C.S.
Acting COLLECTOR OF SOUTH ARCOT.

TO

THE SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT,

MADRAS.

SIR,

I have the honour to forwards herewith
for the order of Government the Resolution
of the Chedambaram Municipal Council
on the rates of fees proposed to be levied on
encroachments. While prepared to accept the
rate in the case of new encroachments, the
Council wants to have them reduced to $\frac{1}{4}$ in
the case of existing encroachments. The Acting
Collector does not support this recommendation
but is prepared to concede a reduction of
one-half. I called for a statement to show
how the rates for renewal fees would actually
compare with the house tax imposed and the
statement received is appended. From this
it will be seen that the renewal fees work

one

out at sanctioned rates will be rather heavy
and I would therefore support the Assets
Collector's recommendation to reduce them
by one half in the case of existing encroach-
ments.

I have the honour to be
Sir

Your most obedient servant
