ORDER.

No 680 News of 15/5/99

In the Schedule annexed to the draft notification, the eastern boundary is said to be the Trichirapoly road from Malai Anicut up to Maruthai Pillai's land etc, but in the plan submitted by the Chairman this road does not touch the anicut. The space between the anicut and the road should therefore be defined. Further, Maruthai Pillai's land and the old distillery referred to in the definition of the Eastern boundary have not been marked on the plan. This should now be done.
