SIR,

ENCLOSURES.

With reference to P. M. &
No. 431 - M. dated 27th March 1899, I am
desired to report as follows with regard to
the explanations called for therein :-
Pallaveram. The sum of Rs: 336/- shown
under I "Land Revenue" "Income from Land"
in the estimates for 1897-98 and 1898-99 was
the amount expected to be realized from
quarrying contractors and should therefore
have been correctly shown under VI "Miscella-
neous" - The following amounts were
realised in 1897-98 and 1898-99 as quarrying
receipts:-

Rs: 392/- in 1897-98.

Rs: 276/- in 1898-99.

Saint Thomas Mount. The large decline
in the income from "sales of manure &c" in the
revised estimate for 1898-99 is due to the
small amounts actually realised under that
head

head for that period.

The Secretary of the Cantonment Committee reports that he experienced great difficulty in getting contracts.

As heavy rain enhances the price of manure, a good or bad monsoon affects the price of it and its sale is therefore a very fluctuating receipt.

" A grant-in-aid of Rs. 1393 was
sanctioned in Government Order No. 642-M
Mis. dated 24th March 1898 to repay
debt on account of loan from Government
(for water works in the bazar) which
amounted to Rs. 1255-4-0 as per Accountant
General's

The above sum was paid into the Treasury at Cochin on the 27th July 1898 and the matter reported to the Collector of Nilgiris in this office No. 352 dated 30th July 1898. As regards the mission referred to by the Accountant General in para 13 of his letter, I am to state that this is due to its not being known what grant-in-aid would be given for the current year, the expenditure exceeding the receipts in the estimate.

The whole grant-in-aid of Rs. 1013/- sanctioned for 1898-99 having been drawn, the fund will now close with a credit balance of Rs. 509/- on the 31st March 1900 as shown in the margin.

I have the honour to be
Sir

Your obedient servant
S. H. Clegg. Captain
