I have the honour to submit
a statement showing the figures relating
to the two high Schools of the Chingleput
Municipality as gathered from the Annual
Returns. The Mission High School above
was aided on the salary grant system
from Municipal Funds. The allotment
was Rs 350 and the expenditure Rs 278
The Lower Secondary department of the
Native High School was aided on the
result system from Provincial funds
for want of funds in the Municipality

Substance:-

2. The Matriculation Schools were
in strength. The Schools did
Very badly at the Matriculation
Examination. At the Lower
Secondary Examination the
Native High School secured
better results than the other
School. At my inspection
the results were fair in both
the Schools. The former Assistant
of the I.C. in High School
is fair & that of the other
School very fair.

Submitting a statement

Sir,

With reference to S.O. No 1567 dt 26 Sept 98
para 4 clause 2 calling for explanation as to the cause of 45 p.c.
of the allotment for results grants being lapsed, I have the honor
to submit the explanation as follows:-

In the Budget of 1897-98 sent by the Chair-
man to the Government for its sanction, the sum of Rs 900 was
allotted for Result Grants, but at the same time the Chairman in
para 14 of his Budget report to Government requested the Govern-
ment to kindly see that the municipality may not be burdened
with much of Educational expense, considering that the funds of the
Council were at a low ebb. The Government referred the matter for
the opinion of the Director of Public Instruction and the Director was
in favor of helping the Council. Accordingly the Government in Govern-
ment order No 2494 dt 27/97 dated 12 November approved of the suggestion
of the Chairman in para 14 of his letter and directed that the Results
grants for the Upper Primary and Lower Secondary Schools should
be paid from Provincial Funds. Thereupon the only thing that the
Municipal Council had to pay was for the Results Grants of the Schools
upto the 3rd Standard (i.e. the Lower Primary department) and

The amount thus paid was Rs 495-15-0. So the saving under this head was Rs 900, the budget figure minus Rs 495-15-0. The amount finally settled to be paid (Rs) Rs 404-1-0. Out of this savings Rs 190 was expended for the construction of a new latrine and the remaining amount was saved.

2. A statement with a letter No. 1584 of dated 16 November 1898 from the Inspector of Schools, Central Circle regarding the working of the Salary Grant Secondary School is also herein enclosed.

para is clause 2 calling for explanation as to the cause of the allotment for result grants but at the same time the balance here is of his report to Government regarding the amount of the grant. Kindly submit the necessary explanation with much of educational expenses. Considering that the amount was at a low level. In Government's report the matter of the amount of the grant of Public Institution and the amount in favor of helping the school. According to the Government order dated 18/11/1898 approved of the amount of the grant in the letter No. 1584 dated 16/11/1898. The grant for the higher primary and lower secondary schools be paid from Provincial funds. However, the amount of Rs 190 which had to pay was for the result grant to the school in the Standard as the lower primary school.
