CURRENT No. 1186M

The Secretary to Government
Local and Municipal Department

The Collector, Cuddapah.

Sir,
I have the honor to report that in
the circumstances noted below the Municipal
Council has resolved on the 18th March/99
and confirmed the resolution again in
a special meeting on the 21st March 1899.
that the tolls and market be worked and run
by a man system during the year 1899-1900.

The Municipal toll gates were
put up for auction on the following dates
for the amounts set forth against them.

10th March 1899 - Rs 6005.

18th do - Rs 6910.

There appeared to be a strong combination among the bidders on the 1st day and on the 2nd occasion, though there appeared to be some free competition the highest bid did not go beyond Rs 6910. But the average calculated from the figures of the previous six years is Rs 7706. The figures for the previous six years are as follows -

1893-1894 - Rs 8020.

1894-1895 - Rs 8010.

1895-1896 - Rs 8110.

1896-1897 - Rs 7000.

1897-1898 - Rs 6180.

1898-1899 - Rs 8916.

The figures for the years previous to 1893-1894 have not been considered here for they were the years when there was no railway in the sub-division and consequently cart traffic with Cuddapah town was great. In the years noted above, the

year 1897-98 was a famine year and that accounts for the tremendous fall in the toll revenues.

The Council therefore considered that Rs 7500 should be the least that should be accepted as final bid for the toll gates. The sanctioned bid for the toll gates was the figure at Rs 8000 including the District Board's share. The bid here did not go beyond Rs 6910 and the Council therefore resolved to mark the toll gates by Amami system.

Coming to the Market the highest bid on the latter occasion did not go higher than Rs 315 per month, while the figure for the previous year was Rs 345. The Council on the 18th March 1899 resolved therefore that the Market also should be marked by the Amami system.

Later on the 29th March, there was a petition from one of the bidders offering to take up the toll gates for Rs 7225 for the whole year and the Market for Rs 330 a month. A special meeting of the

Council

Council was held on the 31st March. to
 Consider the petition and the original reso-
 -lution that the tolls should be worked
 by a private company. Confirmed.
 Though the Council had decided to let
 the petitioners offer up to 330 a month for
 the market, the latter was not willing
 to take up the market without the toll gates.
 As the original resolution was allowed
 to stand.
 The Council therefore decided to
 the following establishment, the
 proposition statement for the sanction
 of which is herewith submitted -
 The establishment now employed is as

 may become necessary to employ the
